Motivated Sellers!! Don't miss this rare, expansive 5+ bed, 3 bath home offering unmatched versatility in a prime location near schools and shopping! Spanning 4,374 sq. ft., it boasts two kitchens, two laundry areas, two sunrooms, multiple dining spaces, a primary bedroom with updated flooring, a crafts room on the upper level that can be used for extra living space, plus abundant parking and even room for chickens! The fully fenced 0.93-acre lot offers exciting potential for subdivision or ADUs. The lower level is perfect for multi-generational living, care services, rental income, a home business, or a private retreat. Previously an Adult Care Facility and Salon, this property invites your creativity. Come see the possibilities in person!
